In the name of Allah, the Compassionate and Merciful

To brother Head of Intelligence in the Ramallah and Al-Bireh Governorate, may Allah protect you,

Greeting of the nation,

Subject: The Legislative Council Elections

There are no candidates for the Legislative Council in the village Kubar, except for Marwan al-Barghouti who is on the *Watan* list.

However, the [candidates], whom the people in the village talk about, according to information available to us, are:

1. Basem Fakhri: He is from the village Surda. He talked with some of the brothers in the Fatah Movement about supporting him for the elections. His position in the region is not good because of his lack of self-confidence. I am referring to his position in the three villages: Kubar, Abu Shkheidam and Al-Mazraa. Currently, he gives people who visit him a sum of money that does not exceed 200 dinars.

I think, according to the youth's activities (but not all the people), that we will want to benefit from him if we can.

2. Kamal al-Sheikh from Al-Mazraa al-Qibliya: He is the strongest candidate in terms of education, self-confidence and his warrior history. This is sufficient for convincing the Fatah cadre to support him in the elections. This is what caused the fact that the municipal elections in al-Mazraa, which caused a family dispute, especially within the Al-Ladadwah family, will weaken him in the town Al-Mazraa.

Kindly accept our utmost respect.
